1. FROM SAIBANISA JI:

I was on one night repenting for my inability to go to Haridwar due to lack of funds. Sai appeared in my dream and said-"Do not regret for not undertaking pilgrimage to Haridwar. Also do not borrow money from others for the purpose. Open the gates of your inner heart and you will find Sri Hari there". So saying Sai disappeared.

Since then I have learnt to believe that God resides in our hearts. I am sure that even if Sai brings God along with Him to Saidarbar, I shall firstly prostrate to Sainath and then only worship God.

2. GENESIS OF SAIDARBAR:

Pranams to Saibandhus

Saidarbar completes **Ten years** and enters the **Eleventh year**. We sincerely believe that this milestone is achieved firstly due to the Grace of our beloved Guru Sri Shirdi Sainath and secondly due to the excellent cooperation and support rendered by our Sai brethren.

Saidarbar is dream project of **SAIBANISA** who had dedicated his total available time and untiring efforts for this cause, by putting his mind and soul into it. **Lord Sainath** appeared in the dream of Saibanisa on **24-12-1998** and instructed him to cut and distribute the **SPIRITUAL CAKE TO THE WORLD**. Saibanisa was perplexed with the guideline and was not able to

conclude anything from the message. A close associate **Sri.Srinivas Katta** then gave out his opinion that, perhaps Baba wanted him to spread **SAI PHILOSOPHY** across the world through the media of **INTERNET**.

Thus Saidarbar was born on 25-12-1998 and has grown to the present position where it is acclaimed as AT HOME by many of its cross section of Readership. Internet was just making its entry into Andhra Pradesh, India. He put his entire burden on Baba and started with a web site and brought it today's position with the help of **Saisevak SrinivasaRao Kasturi** and other Saibandhus across the Globe. Every one working for Saidarbar is very much aware that all this not possible without blessings and Grace of Baba. There were many obstacles and tough times faced by the team and I am grateful to Saibanisa for the trust placed in us and the freedom of speech given to us. At this juncture I cannot but recollect my fond association with **Gopala Rao Ravada (Saibanisa)** for the last thirty five years in official, personal and spiritual matters. Lastly I pray Baba to shower HIS blessings on all HIS devotees and look forward for Saidarbar to celebrate many more anniversaries in the future to come under the able guidance of Saibanisa.

I hereby acknowledge gratefully the Readership and all those responsible for the success story of Saidarbar.

BirthDay Greetings

Dear Sai's Sweet child "SAI DARBAR",

May I have the pleasure of conveying my heart-felt 'Good Wishes' on the occasion of your Tenth B-day! You have steadily grown up all these years distributing 'SAI CAKE' Prasad not only to the near and dear but also to the entire Sai World through Electronic medium. You have satisfied one and all according to one's taste.

Sai assured "I give what you want so that you begin to ask what I want to give". You are also doing the same by distributing different ways (articles), by organizing 'Spiritual Feast' every month.

Though your Real Father is Sainath Maharaj, you are being brought up by "SAI BANISA" in the palace of "SAI DARBAR".

"OM SAI SRI SAI JAYA JAYA SAI"

Sai Ram. I would like to share my appreciation to the team of Sai Darbar on this happy occasion. I came into the fold of Sai Darbar on 19th December 1999, when I met Saibanisa in the marriage of Sai Bandhu Satuluri Raghuraman's eldest daughter's marriage at Ahobila Mutt, Hyderabad. Though Saibanisa and myself are long time friends, I was not associated with Sai Darbar till then.

Sai took a firm hold of my hand through Sai Darbar and has guided me and is guiding me on my Spiritual Path. Even though the path is still full of ditches and thorns and even though I keep straying to check out the detours out of my curiosity, He never left me and is always keeping an eye on me and is taking care of me.

Spiritual Gems from Sri Sai Satcharitra are being submitted to Sai Darbar and to www.oneindia.in

Now, another Sai site (saiaangan) has asked for the spiritual gems to be shared there also.

This yagna is being conducted only through the divine grace of Sadguru Sai.

Sai Ram. What can we do but to offer ourselves at His feet?

Congratulations to Saidarbar team and The E-Magazine for their ten year completion. You have provided to all Sai devotees an incredible wealth of information about our Baba. I was

introduced to the e-Magazine few years back. I am extremely impressed about Baba's stories, devotee's experiences, the format, the pictures etc. For people leading a busy and fast pace life like me, the E magazine provided a level of divine connection to Baba and allowed us to manage daily activities with calm and courage.

May Baba bless you to continue your service.

A Sai devotee from USA

I have always been spiritually enlightened after reading "The Glory of Shirdi Sai". It is something that I am sure every Sai Devotee eagerly looks forward to every second Thursday. For me, reading it is nothing short of praying to our beloved Sai. I especially enjoy reading Sai Banisaji's experiences and teachings. They are put together in a very simple and easy to understand format.

I also enjoy the interpretation and analysis of the chapters from the Sat Charitra. It gives me a different flavor of Sat Charitra's understanding. The child in me also enjoys reading the stories by Madhu Auntie.

I feel blessed receiving your e-mails and newsletters and hope and pray that you continue doing this great job for a long time to come.

SaiRam,

Without any doubt I can say that Saidarbar spearheaded the effort to spread Sai Baba's Philosophy and Teachings with great dedication and hard work. From accepting Baba's call to spread His teachings to a wider audience, launch of Saidarbar website, numerous spiritual discourses in India and abroad; Saibanisa has done all this with lot of perseverance. Saibanisa has inspired a lot of people and in 10 years Saidarbar has grown to 16 chapters in 5 continents. I congratulate the entire Saidarbar team on achieving this significant milestone and thank them for their selfless efforts

Sairam,

For ugadi (2008) I unexpectedly, out of blue, received a post and an email from Saibanisaji. When I opened the post, it was Saibanisa Ji's recitations of various Sai Kirtanas and his interpretations of various Holy Scriptures in relation to Sai Satcharitra.

I think that was not a mere coincidence, to receive something from Sai on an auspicious day.

I thank Saibanisa Ji deeply for his effort to spread faith and devotion in the world and my pranams to My Dearest Lord SaiBaba.

I pray that your magazine will be a success and numerous Sai devotees around the world will attain salvation through it.

Thanks and regards,
Rama Aravind.

Om Sai!

The "Sai Darbar" is one of the ways Sri Sai is singing His story and reaching multitude of lives and is continuing His mission. It is very good fortune that in our Sai journey, we [me and my wife] were pulled to attend the "Sai Utsav" in Chicago, where we met Sai Banisa Uncle for the first time. We also were fortunate audience to his discourses and received the love and inspiration of Sai through uncle.

It is really our fortune to know of Sai Darbar and partake Saibanisa uncle's experiences and dreams. This is an occasion to thank Sai Baba in inspiring uncle to influence many lives through the self-less mission of Sai Darbar and uncle's efforts in spreading and sharing his knowledge of Sri SaiBaba.

Our sincere greetings and word of thanks to Saibanisa uncle and the Sai Sevaks of the Sai Darbar on this memorable occasion of the First Decade Anniversary and wishing many decades to come in loving service of the merciful master Sri Sai.

Bow to Sri SAI, Peace be to ALL

Om Sai Ram

First of all I congratulate all of you on completion of ten great and useful years of this magazine with the grace of Sai. May Sai fulfill all the desires of his devotees and give more and more years to you and your team to serve the `Glory of Shirdi Sai.'

I am not able to say anything about the great service you are giving to all Sai devotees and whenever I feel upset and in trouble this magazine has given me `Shakti' to face the situation. This magazine and matter of this clear all the doubts of our life.

First of All Congratulations on 10 years of Saidarbar movement. I have been associated for about last 6 years with Saidarbar, mainly helping out in the 3d technology. During this time I also got an opportunity to visit Saidarbar, Hyderabad and have darshan of Sai. I'm blessed to be part of this movement and be able to help out in an area that I like.

The wonderful comments, suggestions and feedback that devotees have given for the 3d format has made me only more humble and thankful to Sai Baba for giving me an opportunity to do this seva through Saidarbar, Hyderabad. I hope devotees will continue to like this and provide any feedback so that the 3d format can be improved.

Thanks.

5. QUINTESENCE OF SRI SAIBABA'S PHILOSOPHY:

(By Late Sri Bharam UmamaheswaraRao)

"Shashi": shashi_31@yahoo.com

32. Significance of Meditation

Preliminaries to Meditation

Baba said to one of His devotees: "Have complete faith in Me and give away your wants to Me. Who asked you to suffer? While I am showing the right path, you are going in a wrong way. If you have such confidence in Me, I shall reveal all the secrets relating to My Philosophy. Perpetual Meditation is the way of your life. Qualities like anger, grief, and greed are making you restless. By constant meditation you can get rid of them. Selfless deeds and thoughts purify your mind. Practice this thru your meditation. "

Baba also says: "Those who take complete refuge in Me and think of Me always in meditation, they are able to see the Universe in their bodies and passions of mind as Chaitanya, but I will also show various colorful visions, sounds and other worlds in their meditation. To those who manage to see the external world as inert in meditation, I will show to such people the place of 'Diwividya Tyagi' – I am the 'Adwaita Brahman'."

6. IN THE DAYS OF SHRI SHIRDI SAIBABA :

How Shri Marthand, a tailor fared in adhearing Baba's Advice:

Shri Marthand, a tailor, in Shirdi was once suffering very much and there was nobody to look after him. He laid down helpless in the way in which Baba used to pass through to the Lendi. Baba on seeing him told him to go to Neemgaom and meet Shri Nanasaheb Denge who will look after him willingly. Accordingly he had gone to Neemgaom and met Shri Nanasaheb Denge. He told Marthand "That Baba had already told him in his dream about the arrival and requested him to treat him in his house as his own and be there without any trouble".. After receiving very good treatments, he was fully recovered and came to Shirdi back and felt ever grateful to Baba.

Baba converted Shri Jahangir Patil into a Devotee

Shri VasantRao Narayan of Bombay came to Shirdi for Baba's darshan often and often. He has given Baba's photo to Jahangir patil, a Parsi criticizer of Baba. This Jahangir has got a subordinate co worker Shri Limaye in his office who was also a Baba's devotee. He used to criticize his co-workers with this photo of Baba. Limaye asked Shri VasantRao as to why he has given Baba's photo to this Jahangir, Shri VasantRao told Limaye that he has given Baba's photo with the aim that Baba would surely set him in the righteous path.

Accordingly after some days Jahangir came weeping to Vasant Rao and handed over some dakshina to him to hand it over to Baba. Then Shri Vasant Rao brought him to Shri Kaka sahib dixit and handed over the dakshina amount. On the Gurupoornima day of 1918, all these went to Shirdi and got Baba's darshan. Thus a criticizer of Baba became stanch devotee of Baba.

Shri Sai Satcharitra

Chapter XXXI

The Passing Away In Baba's Presence of - (1) Sannyasi Vijayanand - (2) Balaram Mankar - (3) Noolkar - (4) Megha - and (5) The Tiger.

(2) Balaram Mankar

There was a house-holder devotee of Baba by name Balaram Mankar. When his wife passed away, he got dejected and entrusting his household to his son, left his home and came to Shirdi and lived with Baba. Being pleased with his devotion, Baba wanted to give a good turn to his life and He did this in this wise. He gave him Rs. 12/- and asked him to go and live in Macchindragad (District Satara). Mankar was first unwilling to go and stay away from Baba, but Baba convinced him that he was giving the best course for him and asked him to practise mediation thrice a day on the Gad. Believing in Baba's words, Mankar came to the Gad. He was much pleased with the lovely sight, pure water, healthy air and the surroundings of the place, and began to practice assiduously the meditations as recommended by Baba. After some days he got a revelation. Generally Bhaktas get revelation in their Samadhi or trance states, but in Mankar's case he got it, when he came down to his ordinary consciousness from his trance. Baba appeared to him in person. Not only that Mankar saw Him, but he also asked Him why he was sent there. Baba replied - "In Shirdi many thoughts and ideas began to rise in your mind and I sent you here to rest your unsteady mind. You thought that I was in Shirdi with a body composed of the five elements and three and a half cubits in length, and not outside of it. Now you see and determine for yourself whether the person you see here now is the same you saw at Shirdi. It is for this reason that I sent you here."

SSG: Sai Ram. This is a real Spiritual Gem. This and a few more testify to Baba's oneness with the Paramatma and His freedom from the constraints of time, space and physical body etc. Most of the time, Baba did not reveal His true nature and pretended to be a simple servant of God. But He gave a few indications like this and a few more at few places to deserving disciples and through them we too got these gems. Sai Ram.

SSS: Then after the period was over, Mankar left the Gada and proceeded to his native place Bandra. He wanted to travel by rail from Poona to Dadar, but when he went to the booking office to get a ticket, he found it very much crowded. He could not get his ticket soon, when; a villager with a langoti (piece of cloth) on his waist and kambali on his shoulder turned up and said - "Where are you going?" "To Dadar." replied Mankar. Then he said - "Please take this Dadar ticket of mine; as I have some urgent business here, I have cancelled my Dadar trip." Mankar was very glad to receive the ticket and was just taking out money from his pocket, when the rustic disappeared in the crowd. Mankar tried to find him out in the crowd, but it was in vain. He waited for him till the train left the station but found no trace of him. This was the second revelation Mankar got in a strange form. Then Mankar after visiting his home again returned to Shirdi and remained there at Baba's feet, always following His biddings and advice. In the end, he was very fortunate to leave this world in the presence, and with the blessings of Baba.

SSG: Yes, he was indeed very fortunate and we are indeed fortunate to know a little more about the Leelas of Baba through this wonderful story. Sai Ram.

His Servant,

S.V.Swamy
